

CERTIFICATE OF CONFORMITY

This is to certify that all Piab Vacuum products of the design PMAT:

- are manufactured under a ISO 9001 approved Quality System
- have to our knowledge, been manufactured, assembled and tested in accordance with the drawings, standards and internal procedures, as well as good workmanship and skilled labour of the manufacturer.

We do not use silicone as an additive during assembly of these items, nor does silicone exist in the material specification(s) of the component(s).

During our handling of the component(s), we have not discovered any sign of failure.

Place and date: Täby 2014-08-27
